## **QUALITY, ENVIRONMENT, OCCUPATIONAL HEALTH & SAFETY POLICY ( QEOHS Policy )**

Jindal Stainless Limited, Jajpur aims to be amongst the globally competitive and preferred stainless steel producers in terms of quality, cost and delivery by focusing on total customer satisfaction with a commitment to maintain environment friendly, safe, healthy and sustainable working condition in all its operations.

To achieve the above, we are committed to :

- Comply with current applicable legal requirements and other requirements to which organization subscribes.
- Sustain Quality leadership through deployment of state of the art manufacturing technologies and improvement thereof.
- Prevention of pollution, injury and ill health and continual improvement in QEOHS performance.
- Optimize the use of natural resources.
- Review the policy periodically to ensure relevance & appropriateness for sustainability and communicate to all interested parties.
